In a later Affidavit, on the 29th day of May, 1915, John G. Putman makes the following statements.

He states he was born in Marshall County, Tennessee, April 16, 1829. His facts regarding his enrollment in and discharge from service remain the same. He states here that his wife's full name and her maiden name is: Hannah Vanzant Putman Sparks. He again states they were married by John Jenkins at the home of his wife near Springfield, Missouri, on the 18th day of October, 1864. Regarding his previous marriage he states that the name of his first wife was Philean Fararr (?), and that they were married about 1854, and that she died near Springfield, Missouri, on April 3, 1857. He further states that his second wife had not been previously married, and that he had been married only the one time previously. He states that his second wife is now deceased. He lists the names and birth dates of his children as follows:

Sarah Clementine Putman	Born April 18, 1855
Mary Susan Putman	Born Sept. 25, 1865 (deceased)
Nellie Jane Putman	Born Feb. 18, 1867
Seth Jerome Putman	Born Nov. 22, 1870
Norma Alice Putman	Born March 1, 1873
Nancy Ellen Putman	Born Nov. 18, 1876

(Note: The previous listing of his children gave Norma's birth year as 1872 and Nancy's as 1875. These dates are quite clear on both affidavits, so this is not a misinterpretation.)

On May 31, 1920, J. R. Putman, age 49, and Nannie E. Putman, age 43, both residents of Route 5, Springfield, Missouri, make an Affidavit that they are the son and daughter, respectively, of John G. Putman, and that they have the charge and care of said John G. Putman, as he is totally incapacitated.

Check No. 7564231, payable to John G. Putman, in the amount of \$150 and dated November 4, 1920, was returned to the Bureau of Pensions, with the notation that pensioner, John G. Putman, had departed this life on the 12th day of September, 1920.

EDITOR'S NOTE:

I believe John G. Putman to have been a son of Reuben R. Putman and his wife Polly (Mary) _____?, and that of the 13 children of Reuben R. and Polly Putman there was also a son named William H., b. 27 March 1830, in Tennessee, who married on Oct. 22, 1863 in Greene Co., Missouri, Julia Ann Catherine Gurley, daughter of Aaron Gurley and Martha Mullings. William H. Putman had a son Hosea Everett (Hode) Putman who m. Susie Murray. Mrs. Putman is still living, and in an interview with her in December 1967 she stated that the 13 children consisted of either six girls and seven boys or seven girls and six boys. She gave me the names of eight of these children and in some instances who they married. She stated that she thought the maiden name of John's second wife was Hannah V. (this would probably be for Vanzant) White. As you can see by his pension records, this is no doubt incorrect.
